Education

2014 – 2019 & 2020 – 2021 – **National and Kapodistrian University of Athens:** Bachelor of Laws & LLM in Competition and IP Law

- **Thesis**: AI and Competition Law

Certificates

DevOps Institute – Software Development Skills Foundation C#

Harvard University – CS50 Introduction to Programming with Python

DeepLearning.AI – Mathematics for Machine Learning and Data Science

Stanford University – Machine Learning Specialization

IBM – **Professional Certificate in Data Science**

Skills

Languages: C#, Python, JavaScript, SQL, HTML, CSS

Frameworks / **Libraries**: ASP.Net Core, Entity Framework, Identity, React, Tailwind, jQuery, Bootstrap

Tools: REST APIs, MVCs – Razor Pages, MS SQL Server, Git – GitHub, PostMan, Jira

Summary

I am a **software developer** with a unique journey from **law** and **tech policy** in Brussels to programming, fueled by **curiosity** and **a passion for learning**. After 3 years of **self-study** and completing a **bootcamp**, I transitioned into the programming world. My previous **corporate** experience adds a valuable perspective and I'm eager to **grow** and **excel** in this field.

Experience

10/2024 – 01/2025 – **Full-Stack Software Development Bootcamp: Project: Backend Web API** at **PeopleCert**, Athens

- Designed and implemented a certification platform API using ASP .NET Core 8 and Entity Framework.
- Built a database with 8 entities, utilizing MS SQL Server and Fluent API for building 1-to-Many relationships
- Developed DTOs, Mappers, Interfaces, Services, Controllers, and Authentication/Authorization, delivering 34 endpoints.
- Led project organization and team coordination, adhering to Scrum principles with daily meetings and sprints.

11/2023 to present – **AI Consultant (Pro Bono)** at **Rythmisis**, Brussels

- Led a project for the development of an EU AI Act Regulation chatbot
- Managed a team of AI engineers and lawyers and organized the data collection procedure for the project's dataset
- Brought together facilitated communication among persons from different disciplines

04/2019 – 09/2024 – **Senior EU Tech Policy Advisor - Competition Lawyer,** Brussels – Athens

- Worked with AWS, Ingenico & ACT | The App Association
- Represented clients before the European Commission, the European Parliament, the EU Council and national authorities
- Led tech policy campaigns on AI, Cloud and Standard Essential Patent (SEPs) topics
